

APPROVED PROVIDER APPLICATION

Katy Realty Advisors is the consumer's guide to identifying pre-approved real estate providers. Katy Realty Advisors pre-approves providers by first obtaining nominations from peers vouching for applicant's effectiveness, honesty and integrity.

Once an applicant is nominated, we survey their last three clients for satisfactory ratings of their performance; ask that they sign agreeing to abide by Consumer Commandments and Approved Provider Agreement. When approved, applicant's name, profile and web site link is posted on the Katy Realty Advisors' Web Site as an "Approved Provider". A Katy Realty Advisors' "Approved Provider" status is an ongoing process. Katy Realty Advisors continues to survey provider's clients for service ratings and monitoring for adherence to Consumer Commandments. If at any time the provider's rating with consumers fall below three stars or it is determined they are not abiding by Consumer Commandments they will be immediately removed as an "Approved Provider".
